Thank You Thoughts and Letters:

I'm Mark Boots and I have a ministry I've been doing for 5 years. I cut, split and deliver firewood to those no longer able to procure their own firewood to heat with, or supplement their heating with firewood. With inflation, those on fixed incomes are being strained. We have a great food bank run by Donna Miller but people don't think of how some will be able to stay warm. I had one couple last year that ran out of fuel and couldn't afford more. The firewood kept them warm the last three weeks of winter. Because I am getting older I sometimes need some physical help loading or delivering firewood. I average 5-6 days a week working on firewood and I go thru 20-30 cords a year. If you would be willing to help occasionally let me know and I can contact you when I know I'll need help. You'll give up your gym membership! If you have trees that need to be cut and hauled away, NO PINE, I can see if I can use them. Contact me by text or call, 724-996-6088. Thank you.

James 2:14-18, John 4:35,36

A Note From Pastor Dennis:

I recently had a funeral for Donald Lee Young, a man stood up during the reflection time and testified how he came to Lillyville Church as a young boy and the picture of the stained glass window in the front of the sanctuary with Jesus praying in the garden of Gethsemane as been an anchor for his soul all these years-he is now retired and has lived in Louisiana for a long time. Yet the Lillyville Church and the beautiful stained glass picture of Jesus praying as been used by the Holy Spirit to sustain his purpose driven living for the glory of God all these years. So give thanks for the Lord Jesus interceding for you daily; give thanks for our forefathers who purchased and placed that stained glass window in the Lillyville Church years ago and thank the Holy Spirit who still continues to inspire and sustain faith, hope and purpose in the lives of believers through that beautiful window.
