Letters Continued:

Dear Lillyville Church, Pastor Dennis and Julia: Brandon and I cannot thank you enough for the constant love and support you all provide for us. Receiving mail from you is always so encouraging, uplifting and overly generous of you. We cannot thank you enough! Brandon has officially graduated "A-School" and is now an ETNS, which means "Nuclear Electronics Technician Petty Officer 3rd class." He won a "personal Excellence Award" for his moral character, and was elected for the award by his peers. Brandon is very humbled by the privilege to serve in the Navy and enjoy the friendships he is forming with his classmates. We are in the process of buying a new house and will be sure to update you with our new address once all the paper work is finalized! We truly do think and speak of you both and the congregation frequently. We sincerely love and miss Lillyville so much! Thank you and God Bless! Brandon and Lysie Tedrow

Dear Pastor Dennis, Julia and Congregation: We would like to thank you for all the prayers and thoughts for Maura. Her surgery was a success and she is back to her happy beautiful self. Thanks again, The Clyde and Cragle families.

Dear Lillyville Church and Pastor Dennis: Thank you so much for the love, support and cards for me during my new journey. God has a purpose for this new journey. And we all know that in all things God works for the good of those who love Him who have been called according to his purpose. Romans 8:28. When this is over I believe God's purpose will be shown to me. And like the song, "Bring the Rain," every day I think, "what's a little rain." Love Rose Nye
